WAR ESTHETICS ORIGIN

WAR Esthetics Institute is an esthetics school that was founded and created by Melissa Guerra-Vasquez in 2022. Melissa first entered the beauty industry in 1997 when she became a Licensed Massage Therapist at the age of 20. In the years to follow Melissa would become a Licensed Esthetician and Spa Owner. During her journey to pursue her esthetics license, she felt that the education she had paid for, was nothing more than the bare minimum. On top of paying for tuition, she also had to search for and pay out of pocket to receive hands-on training from other private businesses. Melissa went on to become an esthetics instructor, hoping that would allow her to make a difference for other students, however it took no time for her to realize that competing schools had no intentions of raising the standard for esthetic education. Melissa felt that the current education system was unacceptable and a change needed to be made. This is when she sought out to create her own institute that would not only redefine esthetic education, but also become an all-in-one institute for students. Since opening WAR Esthetics Institute, Melissa has already created numerous partnerships with major esthetic companies giving our students access to advanced certifications and advanced service training included in our curriculum. These companies include ColorUp CBD, Ellebanna, BKate Cosmetics, Mirabella Cosmetics, and HydraFacial! We take pride in announcing that WAR Esthetics Institute only works with the best products and companies in the esthetic industry!

Students and parents/guardians of dependent minors are guaranteed the right to access and review the student's educational file. Students must submit a written request to the School Director to review their file. The student will be granted supervised access to their records within five business days of the request. Any third party request for information will require written authorization from the student or parent/guardian of a dependent minor. WAR Esthetics Institute requires that a release form be completed for each third party request of information. WAR Esthetics Institute provides access to student records without written consent to its accrediting agency, the United States Department of Education, the State Licensing Agency and any other school official. The school maintains a record of all release forms and requests for information.

GRADUATION REQUIREMENTS

The school will grant a diploma of graduation for the applicable program of study when the student has successfully completed all levels of study, required tests, practical assignments, treatment logs and passed a final written and practical examination; completed the required hours; completed exit paperwork; and made satisfactory arrangements for payment of all debts owed to the school. Students with unsatisfied balances will not be allowed to graduate and will not receive their diploma and/or any additional certificates received until the balance is paid in full.

EMPLOYMENT ASSISTANCE

The school will assist graduates in finding suitable employment by posting area employment opportunities and teaching job readiness classes, but placement is not guaranteed.

DRESS CODE

All students are responsible for looking their best. Students should reflect the beauty industry that they are studying to become a part of. Students are required to wear grape/purple scrubs or school shirts when allowed. Shoes should be “spa shoes”, meaning no heel with soft and quiet soles (think Crocks or Toms slip-ons). They must have closed toes with a back and can be any color. Nails need to be neatly groomed at a reasonable length. Male students must keep facial hair trimmed. Students should be prepared to remove makeup for practice facial treatments when necessary. Receiving facials enriches learning and is just as important as giving facials. Students may be asked to leave for the day resulting in loss of hours if they break dress code. Students are considered beauty professionals and should look the part at all times!!

TIME CLOCK POLICY, PERMITS, & HOURS

All students will be given a student permit. This is part of your dress code and must be worn every day while in the building. TDLR (Texas Department of Licensing and Regulation) requires all students to clock in and out daily. Clocking in is the first thing that each student should do upon arrival. If a student leaves the campus for lunch or personal reasons, **THEY MUST CLOCK OUT**. If hours are missed by missing clock-in, please let a manager know immediately. Hours are crucial for each student to successfully complete the program and graduate with the hours required by the state of Texas.

RULES ABOUT CLOCKING HOURS

1. Students must clock in and out any time they enter or leave the building. Students clock in or out with a personal pin and a sign in sheet.
2. A 30 minute break is required for any student who is at school 8 hours or more any given day.
3. Students can be at school a maximum of 12 hours per day and 48 hours per week.
4. Students who forget their permit must clock in and come directly to a manager to receive a temporary permit.
5. Students must **ALWAYS** have their permit and TDLR Rules & Regulations book when they are at school. Inspectors will be checking for these two things.
6. Hours are turned into TDLR at the beginning of every month for the previous month (i.e. all hours for May will be turned in at the beginning of June).
7. Students will get an email from TDLR when their hours have been posted each month.

PARKING

Students may park in our parking lot or off Crane Ave not occupying any spaces in front of South China. If parking off Crane Ave, please be aware of where you are parking and any signage that include: no parking, fire lanes, tow zones, etc. WAR Esthetics Institute is not responsible for personal belongings, theft, vandalism, any fees or damages should your vehicle be towed and/or involved in an accident in our parking lot or off Crane Ave.

GRADES

All training must be completed with an overall 75% grade average. The grading scale is A= 90-100; B= 80-89; C=70-79; F (FAILING) = 0-69. Students must achieve a 90% on Practical test to show mastery before they work on clients.

MISSING SCHOOL

Everyone gets sick, has car troubles, runs late, gets stuck in traffic, or needs a personal day off, and here at WAR Esthetics Institute we understand this. Any time a student feels they may miss a day, they must contact administration no later than one hour prior to class time. For example, if class begins at 9:00 a.m. students should contact their instructor or call the school no later than 8:00 a.m. This is especially crucial for students who are taking client appointments, as we will need to call clients to reschedule. Failure to give proper notice will result in a write up, subject to instructor approval. Repeat write ups can result in an expulsion or suspension.

Students may not miss more than 7 days in a 10-week period. If a student misses any days during a 10-week period, those days are considered unexcused unless documentation for the following can be provided:

Documented Car Accident

Documented Doctor/Hospital/ER Stay

Documented Contagious Illness

Documented Death of a Family Member

Documented Military Deployment

Documented Loss of Child Care (Child Care provider must be provided at enrollment and updated with admissions as necessary to receive this excused absence)

Once documentation is provided for any of the above reasons, the absence will be considered excused. Your contract end date will be extended one day for every excused absence day. Admissions reviews absences every 10 weeks to determine the status of your absences.

7 days missed in a 10-week period will result in an evaluation of the attendance and pink slips will be written with disciplinary action taken, whether it be a warning, out of school suspension or a termination.

A students' class work must be caught up to move on to the next status of their program, whether the absence is excused or unexcused.

You will be automatically dropped from the program if you miss more than 7 days in a row without submitting a leave of absence for the 7 days.

Federal Financial Aid attendance policies override our school attendance policy for those that are receiving Title IV funding. Be advised that taking the maximum amount of days allowed by the school may result in failing out of compliance with the Department of Education or with your enrollment contract completion date.

TARDY POLICY- Students are allowed a 30 minute grace period. For example, if class begins at 9:00 a.m. students have until 9:30 to arrive at class. However, students are still responsible for notifying their instructor if they will be arriving past 9 a.m. If a student arrives at 9:30, but did not notify their instructor of their tardiness, this will result in a write up, subject to instructor approval. If a student arrives at class past 9:30 a.m., they will not be allowed to enter class unless they had prior approval from their instructor. Repeat write ups can result in expulsion or suspension.

ATTENDANCE POLICY FOR VA STUDENTS (*WAR Esthetics Institute is not eligible for such funds at this time).

Students using veterans' benefits to attend WAR Esthetics Institute will have attendance monitored until the time the student drops, graduates, or completes the program. Unsatisfactory attendance will be reported to the DV A even if the VA student has completed the required number of hours and no refund is due the student and/or refund sources. Therefore, the attendance policy (20% of the total program and/or being absent five [5] consecutive days) will apply throughout the student's stay in school. All violations of the attendance policy will be reported to DV A on VA Form 22-1 999b within 30 days at such time the student exceeds the allowed number of absences.

VACATION

Students who have a planned trip should let student administration know in writing (e-mail is acceptable). Failure to follow this attendance policy may result in a student review. In most cases a LOA will be required of the student. We encourage you to avoid vacation or absence during your time in school, however scheduling this during your senior status will be the most ideal time within your course.

LEAVE OF ABSENCE

Students who anticipate missing 7 or more calendar days must apply in writing for a leave of absence. Students must follow this policy in requesting a Leave of Absence. The application must be received in advance of the leave. Leaves of absence will only be granted for extenuating circumstances, such as medical issues. The reason for the request of the Leave of Absence must be included by the student and contain the student's signature and date of the request. In the event that a student is unable to provide the request in advance, the school may determine that a Leave of Absence should be granted. The school shall document why the Leave of Absence was warranted (such as a car accident). The school will gather the documentation necessary to have granted such a leave at a later date. The start date of the Leave of Absence will be the first date that the student was absent as a result of the event. **Administration will determine the best day to reenter the school.** Leaves of absence will extend a student's contract period by the same number of days taken in the leave. A contract addendum is used to document the change in contract end date. Signatures and dates will be required of the student, and the school to document the revision. Leaves of absence may not exceed 180 days in any twelve-month period. A student granted a Leave of Absence is not considered to have withdrawn, and therefore no refund calculation is performed. If a student does not return from a leave on the scheduled return date, he or she will be dropped with the withdrawal date being the student's last day of physical attendance. No additional charges will be assessed as a result of a student's leave.

OVER CONTRACT FEE

All students receive a contracted end date tailored to their schedule. It is important that students commit to the schedule that they choose in order to receive the best education possible. If you go over your contract date you will be responsible for paying out of pocket the hourly rate of **\$25.00 per hour** to complete your course.

LATE FEES/NSF FEES

There will be a \$50 Late Fee for all payments made after the payment due date. There will be a \$50 NSF Fee for all returned checks. If a payment NSF's after the payment due date, the \$50 Late Fee will also be applied.

APPOINTMENT SCHEDULE (TBD)

Students are responsible for maintaining their schedules in our appointment software, (TBD) by letting the supervisor know of any upcoming absences. Students' schedules must be correct for each day that they are in school.

THEFT

Any student found stealing property from other students or WAR Esthetics Institute will be expelled immediately.

SMOKING/ILLEGAL DRUGS

ABSOLUTELY NO DRUGS OR SMOKING ON CAMPUS! This is a rule that is part of the dress code and professional etiquette. Students must leave the campus area to smoke and must not return smelling of smoke. This also applies to vapes and/or electronic smoking devices. If you are suspected or found under the influence you will be asked to clock out and go home which could lead to being suspended or expelled.

WEAPONS

ABSOLUTELY NO WEAPONS ON CAMPUS! No firearms or any other weapon(s) are allowed on this property, including concealed.

CELL PHONES

Please keep phones on silent, as this is a spa setting and we want to respect other students as well as our clients. Students are allowed to use and check their phones as long as they are on break or lunch and it is not disruptive to others.

ATTITUDE

We hope that all students will have a professional and positive attitude while attending WAR Esthetics Institute. We want this to be a fun, exciting learning environment, but we need students to have the same upbeat attitude to help maintain morale and keep everyone happy. 😊

STUDENT DISAGREEMENTS

If a student has a problem with another student or staff member, he or she must fill out a Grievance Form and turn it in to management. We want this to be a mature and nurturing environment, so please help us make that happen!

SPA ATTENDANT DUTIES

Spa duties are mandatory for all students. Having a clean environment for clients to see when they walk through the door is a must! Maintaining cleanliness throughout the day is important due to walk-in clients. ***All equipment must be turned off at the end of the day to avoid fire hazards.*** Spa Attendant duties are the foundation for repeat clientele and compliance with sanitation regulations. Students are required to know the set-up and demonstrate the ability to turn over a room in an appropriate amount of time. Changing the sheets, emptying the garbage and linen bins, restocking the back bar and retail. Maintaining gowns/robes, hot towel cabinets, candles, equipment sanitization, and much more goes into being prepared for each client. You are not limited to any thing that is required to maintain the "WAR Standard".

MARKETING STUDENT SERVICES

Students will find that most clients do not book without some kind of message being sent to them about available services. We are fortunate to have a list of people to call who have shown an interest in getting a spa treatment. We consistently send out mass emails to help book appointments, but students must also do their best to bring in clients to work on.

STUDENT CLINIC RESPONSIBILITIES

Students may be given appointments on any day that they are scheduled to be here. They will also be asked to fill in as Spa Attendant or Reception Greeter if needed. Shift work in the reception area will be performed by all students. Please do not give instructors a hard time if assigned to shift work. These are real-world skills that can help you in your future job. You must maintain your schedule and once you are in Student Clinic status you must keep your schedule open to attend school. You will be required and responsible for completing your 200 hours in “hands on”. Once you get to phase 3, “Student Clinic” your current school schedule will be altered to Tuesday thru Saturday and no longer be Monday thru Friday.

RESPECT YOUR INSTRUCTORS AND THEIR TIME

Instructors have scheduled classes that they must teach on time. Students who are in the class and if they have already attended the class and are practicing something else, they should refrain from interrupting an instructor while he/she is teaching. Instead, students should work with the instructor on a time that he/she can answer questions or help. We offer a friendly, easy-going, and self-paced atmosphere, but students are required to follow directions from their instructors. Please pay attention when taking a class and participate. It is important to remember all of these rules. Failure to comply could result in expulsion as we have complete confidence in our staff’s etiquette, knowing that they truly have students’ best interests at heart. They wouldn’t be WAR Esthetics Institute material if they didn’t!

EMPLOYMENT OPPORTUNITIES AT WAR ESTHETICS INSTITUTE AFTER GRADUATION

We have a thriving spa with an established clientele treated by successful Estheticians. We are constantly looking for students who are a perfect fit to share our philosophy and mission. Only a few have earned the title of being a WAR Esthetics Employee, but you can be one of them! You are basically in a 750-hour job interview during your time in school. We are looking for people who have a gifted skill set, are hard-working, and above all have a positive attitude. We only consider students who are kind, supportive, and active in carrying out our WAR Esthetics mission.

WORK HOURS AND ENVIRONMENT

Professionals in esthetician-related fields work in clean and sterile environments. They must frequently sterilize equipment and organize their environment for safety and work efficiency. They may also wash their hands frequently or wear masks and gloves, depending on the procedure. Some estheticians work in spas where the atmosphere is calm and pleasant, often with relaxing background music. Other estheticians work in salons, but are often placed in private rooms. Evenings and weekends work hours are common. They may stand on their feet for long periods or may have the option to sit, depending on the treatment they are providing. They can work full-time or part-time. Some even work more than 40 hours a week.

SCHOLARSHIPS (Coming Soon)

All employees/independent contractors of WAR Esthetics Institute are eligible for a scholarship at WAR Esthetics Institute upon approval from management. If their employment at WAR Esthetics Institute ends, the student may remain enrolled on a cash pay basis.

DISCIPLINARY POLICY

Please be advised that any incidents or any general misconduct of WAR Esthetics Institute policies or TDLR policies, or your enrollment agreement could result in a pink slip and any of the following disciplinary actions: COUNSELING/WARNING, SUSPENSION, OR TERMINATION.

Disciplinary action can be taken in the building, in our outdoor areas, and on all field trips. A student cannot receive more than three warnings before action is taken, however any single incident may result right away in a suspension or a Dismissal/Termination.

- a) **WARNING:** A counseling/disciplinary form is given, and the student may return to class with a warning.
- b) **SUSPENSION:** A disciplinary/reprimand form is given, and enrollment may be immediately suspended for three [3] days at the discretion of the school
- c) **DISMISSAL/EXPULSION/TERMINATION:** Enrollment may be terminated at the discretion of school administration for any reason deemed necessary to maintain the positive educational environment and general objectives of the institution. Disciplinary decisions may be appealed, if permitted in your Termination Letter, by submitting a written statement containing as much detail and information as you can within 10 days of your termination. The appeal will be reviewed by the school administration and the student will be notified of the decision within 30 days of the receipt of the appeal. Students are encouraged to voice their grievances with school management or the corporate office by means of the Institution's Grievance Procedure. Students terminated for conduct violations may be readmitted at the discretion of school management or owner however IMPROPER Conduct generally results in a low chance for re enrollment.

GROUND FOR IMMEDIATE EXPULSION/TERMINATION DUE TO IMPROPER MISCONDUCT & POLICY NON COMPLIANCE:

- Alteration of Grade Reporting

- Any Criminal Act, Including one that causes Bodily Harm or Stealing

All students sign a copy of the Disciplinary Policy in orientation and it is retained in your student folder as acknowledgement of your understanding. WAR Esthetics Institute does not require additional signatures on each slip to take action. We hold our students to a very high standard and do not tolerate threats or verbal/physical attacks that will hinder the learning environment for the rest of the currently enrolled students and staff.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

****WAR ESTHETICS INSTITUTE IS NOT ELIGIBLE FOR SUCH FUNDS AT THIS TIME****

1. All students, regardless of course or attendance schedule are required to maintain satisfactory progress throughout their training to be in compliance with institutional policy and to remain eligible for HEA, Title IV federal student financial assistance. Satisfactory progress is measured in both quantitative terms (attendance), as well as qualitative terms (academics/grades). Students must meet the school's attendance standard and the academic standard on a cumulative basis (start date to evaluation date) to be considered as making satisfactory progress unless the student is on probation as defined in this policy. This policy is available so applicants can understand the requirements prior to enrollment.

2. ATTENDANCE STANDARD

Students must maintain an attendance rate of 67% at the evaluation point to be considered to be in satisfactory academic progress.

3. ACADEMIC STANDARD

All training must be completed with an overall 75% grade point average. The grading scale is:

A= 90-100; B= 80-89; C= 70-79; F (FAILING)= 0-69.

(However, please note that students must achieve a 90% on the Practical test to show mastery before they work on clients.)

Students must maintain an academic average of at least 75% (C) or higher to meet this policy.

4. EVALUATION PERIODS

Progress will be evaluated at the following ACTUAL hour intervals:

Esthetics: 375 hours, 750 hours

Eyelash Extensions: 160 hours, 320 hours

Students who meet the 67% attendance standard and the 75% academic standard will be considered to be making satisfactory progress until the next scheduled evaluation. Students will receive a hard copy of their satisfactory academic progress determination at the time of each evaluation. Students deemed not maintaining satisfactory academic progress may have their Title IV* funding interrupted unless the student is on warning or has prevailed upon appeal resulting in a status of probation (**WAR Esthetics Institute is not yet eligible for such funds at this time*).

5. WARNING

Students who fail to meet the minimum requirements for attendance or academic progress are placed on **warning and are not considered making Satisfactory Academic Progress (SAP)**. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation, which is normally at the end of the current payment period.

If the student is not meeting SAP at the end of the Financial Aid Warning Period, there will be a loss of Title IV, HEA eligibility **with the right to appeal**. The student will be placed on Financial Aid Suspension, with a **loss** of Title IV, HEA funding and will be required to meet specific criteria of an improvement plan to assist them in regaining SAP and Title IV, HEA eligibility.

During this period, the student will not be eligible to receive Title IV, HEA funds but he/she may continue on a cash pay basis with an approved payment plan. Arrangements for payment should be completed before the student resumes classes.

6. FINANCIAL AID PROBATION

A student can be placed on Financial Aid Probation for one payment period only if their appeal is granted as outlined by the appeal process.

Any student that prevails upon the appeal process shall be placed on Financial Aid Probation and will be eligible to receive Title IV, HEA during this period. A student placed on Financial Aid Probation may receive Title IV, HEA program funds for that payment period. While on Title IV, HEA Financial Aid Probation, the student must meet the institution's SAP standards by the end of the payment period.

Students placed on Financial Aid Probation with an academic plan must complete the requirements of the Academic Improvement Plan by the end of the payment period. The Academic Improvement Plan is developed by the institution to assist the student in regaining their Title IV, HEA eligibility by regaining SAP. The student's approval email/letter will explain all requirements that must be met during his/her probationary period to continue to receive financial aid.

A student who fails to complete a single course or has a complete withdrawal from WAR Esthetics Institute after receiving financial aid may be automatically placed on suspension.

7. TITLE IV, HEA APPEAL PROCEDURES OF SUSPENSION

A student who loses their financial aid eligibility due to not making SAP at the end of a financial aid warning has the right to file an appeal regarding their SAP evaluations.

A student who wishes to appeal his or her ***Financial Aid Suspension*** and loss of Title IV, HEA eligibility, and has extenuating circumstances may appeal a financial aid suspension by submitting a written appeal to the Financial Aid Director within 5 calendar days of a negative progress determination. Appeals must explain ***in detail*** why the student failed to meet the minimum academic standards, what extenuating circumstances caused the failure, and how the situation has since improved.

Examples of extenuating circumstances include illness, medical issues with immediate family members, or a death in the family. ***Personal or financial issues with family, friends, or roommates are not considered extenuating circumstances.***

8. RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS/REINSTATEMENT OF FEDERAL FINANCIAL AID

Students must re-establish satisfactory academic progress and Title IV eligibility by the end of the warning/probationary period in order to regain Title IV, HEA funds. If the student does not reach satisfactory academic progress by the next payment period, the student will remain ineligible for Title IV, HEA funding.

9. LEAVE OF ABSENCE AND WITHDRAWALS

Students must submit a written request for a leave of absence in advance that includes the reason for the leave, the dates of the desired leave, and the student's signature. WAR Esthetics Institute may grant a leave of absence to a student who did not apply in advance for the leave due to unforeseen circumstances (i.e car accident or injury) that prevent the student from doing so. In this case, the beginning date of the leave is determined by the institution to be the first date the student was unable to attend school because of the accident or injury. If enrollment is temporarily interrupted for a leave of absence. Hours elapsed during a leave of absence will extend the student's contract and maximum time frame period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. There is a maximum of 180 days of leave of absence for a 12 month period. No additional charges will be assessed as a result of a student's leave. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. A student who withdraws from a class prior to its completion is permitted to repeat that class at a later date.

10. COURSE INCOMPLETES, REPETITIONS AND NON-CREDIT REMEDIAL COURSES

Course Incompletes, Repetitions and Non-Credit Remedial Courses do not apply to this institution and therefore, these items have no effect upon the school's satisfactory academic progress standards.

11. TRANSFER HOURS
